

Living in Liverpool

“

Liverpool is an amazing city with so much culture and history. The people are very welcoming and there's so many different activities to do.

”

Invested in the past 10 years into brand new projects and modernising existing building facilities

96%

of our research is of international quality or above

(Research Excellence Framework 2014)

“
I am now studying Pharmacy at Liverpool John Moores University, it's a great course. Completing the NCUK International Foundation Year qualification has literally built up the foundation of my future.
