The IFY is primarily aimed at international students who have finished high school (such as the WASSCE or IGCSE) and have English language of IELTS 5.0 or equivalent who want to study abroad at university. It is also an excellent pathway to those who wish to improve their British curriculum A-level results.

Choose 3 modules to study

1. Business Studies
2. Art & Design
3. Mathematics for Science

Plus 1 of the following:

1. EAP (English for Academic Purposes)
2. EAPPU (English for Academic Purposes for Pre-foundation Students)

*Just like the UK A-level qualification, you choose those modules to study depending on which degree you would like to take at university.
