Job Advert

Role: Moderators, Assessment Developers and Paper Reviewers - International Year One Engineering- Digital System Design and Introduction to Computer Programming Modules

Fees: Competitive

Location: Home-based

NCUK is recruiting experienced academic staff to produce and review assessments, exams and coursework, and moderate completed student work for our International Year One Engineering modules (Digital System Design and Introduction to Computer Programming). We offer competitive fees and a high level of flexibility to allow you to balance this with your existing commitments. Successful completion may result in an annual contract for work.

A role summary, responsibilities and person specification are given at the end of this document.

NCUK is a unique organisation. A consortium of leading international universities, NCUK provides overseas students with guaranteed access to universities through our pathway qualifications. More than 40,000 students have successfully progressed to NCUK Universities worldwide by completing our qualifications. Our qualifications combine the highest of academic standards with exceptional language, study and cultural skills, and are currently delivered in more than 30 different countries across four continents. NCUK is a trading subsidiary of the Northern Consortium, a registered educational charity.

How to apply

Please apply by submitting your CV to academicvacancies@ncuk.ac.uk as soon as possible with a short covering message highlighting how your experience and skills meet the requirements of the job description and person specification. Your CV should be in Microsoft Word or PDF Format.

Applications will close once the post has been filled – please apply as soon as possible to avoid disappointment.

What we do

NCUK develops and maintains academic qualifications that prepare students for entry to university. The company also provides university application support services which assists NCUK students in progressing to university following the completion of their course.

NCUK licences delivery of its academic qualifications to Delivery Partners, and we currently have 100+ Delivery Partners across 30+ countries. NCUK's Delivery Partners have an average of around 30 students and our largest partnership, the Sino British College (SBC) in Shanghai, has over 1500 students registered on NCUK qualifications.

Academic Qualifications

NCUK currently offers the following qualifications:

- The NCUK International Foundation Year (IFY) is a modular qualification that prepares students for first-year entry to a wide range of bachelor degree courses. Students take a combination of three modules appropriate for their intended degree course and one of NCUK English for Academic Purposes for proof of English where needed.
- The NCUK International Year One (IYOne) in Business, Engineering and Law are first-year undergraduate degree level equivalent qualifications that articulate into the second year of selected undergraduate degree courses at NCUK Universities. The IYOne can be combined with the IFY to form a 2+2 study programme.
- The NCUK International Year Two (IYTwo) in Business is a second-year undergraduate level equivalent qualification that articulates into the third year of Business undergraduate degree courses at select NCUK Universities. The IYTwo in Business can be combined with the IFY and IYOne to form a 3+1 study programme.
- The NCUK Master's Programme (MP) provides specialised English for Academic Purposes (EAP) training and an introduction to the research skills needed for success at Masters level.

NCUK Universities

NCUK has developed partnerships with a 45+ universities worldwide, including the original 10 founder members of the Northern Consortium as well as additional universities in the UK, Australia, New Zealand, Canada, the USA, the Caribbean and Malaysia. These NCUK Universities are the primary progression destinations for students completing NCUK qualifications.

In addition to these universities further agreements are in place with other international universities.

NCUK Staff

NCUK employs approximately 50 permanent staff and buys in services from around 75 external contractors, particularly for academic development and examination activities.

Most of the staff are based in the UK, predominantly in Manchester, with a small team based in a representative office in Beijing, China as well as other members of staff being situated in various locations in the Asia region

JOB DESCRIPTION

As a Moderator you will review assessments completed by NCUK students to ensure that marking has been completed in a fair and consistent manner across NCUK's global network of delivery partners. You will also conduct training with training with teachers across NCUK's network of Study Centres when required.

As an Assessment Developer, you will develop assessments for a module or modules to the specification provided by NCUK, based on the module syllabus also provided by NCUK.

As a Paper Reviewer, you will work with the Assessment Developer to ensure that all assessments meet NCUK's standards, and that all assessment content is within a given syllabus.

Your job description does not define or limit your duties and you may be required to carry out other work within your abilities, either for your professional development or the business needs.
