## English Language Requirements

Below are the English Language entry requirements for NCUK qualifications. NCUK accepts a variety of qualifications for progression onto its qualifications and you can use these tables to determine if your qualifications match NCUK's requirements. The minimum accepted English Language grades for our qualifications are displayed in the table 1. Note that normally where a test gives a grade for each skill we would expect each skill to be no more than half an IELTS point below the overall entry requirement. For example, for students entering IFY we ask for an overall IELTS 5.0, we would also expect all skill grades to be IELTS 4.5 or above.
